THE JOURNAL OF THE WEST RIDING BRANCH OF AIR BRITAIN

EDITORIAL:

Due to the postal strike the contents of this months magazine have been severely cut. We will get back up to date as soon as possible.

Could we please have more reports from the airfields in the Vale of York. Many of our readers are known to visit these but little is heard from them.

P.JACKSON.

SECRETARY'S DESK:

We would like to thank Mr.J.Fenton for his very interesting and entertaining talk which he gave to the Branch on the 31st January. We were pleased to see a large number of members for Mr.Fentons talk on "How to Fly.?"

We wish to remind members that the next meeting of the Branch will take place on the 26th February at the BRADFORD CENTRAL LIBRARY, and not at the Aero Club. The meeting will consist of the following films "Powered Flight - the Story of the Century", "The Power to Fly", and "Clear to Land". We would be pleased to see anybody who wishes to come.

L.JACKSON.

NEWS

Pioneer operations have started at Grindale Airfield by a parachute club. They began in early February when temporary accomodation was provided and on the 7th a Yellow and Green Cessna 172, G-ARAV became based there, sofar being moored outdoors. The full name of the Para-Club is "THE SPORTS PARACHUTING CENTRE. GRINDALE FIELD". Directors are I.McDonald, J.McDonald, and Charles Shey-Simonds. Subject to final planning permission, full Clubhouse facilities will be available in approx. 3-4 months time and in use for the coming season. The Club are having a meeting early in April with a view of forming a Flying Club side to the Airfield.
