Daily Average	256	284			260	276		

Another good month for both passengers and freight. Passenger numbers went up by 5% and Freight by 10% when compared to August 2014. Overall numbers are almost at 23 million (including Transit), so it won't be long until reach it. Annual moving freight is up by 6.3% which is the highest it has been for many many years.
